

LAKE COUNTY OFFICE OF EDUCATION
Office of the Superintendent

Informational Item: Core Instructional Materials

ISSUE

The Lake County Office of Education schools (Hance Community School and Clearlake Creativity School) would like to update their core instructional materials list.

BACKGROUND/PREVIOUS BOARD ACTIVITY

English Language Arts (ELA)/English Language Development (ELD) materials were up for adoption this year. The Ed Services Department worked with both the Hance Community School and the Clearlake Creativity School to update their selections of core materials that were more CA Common Core/Technology aligned providing many online capabilities for students to access outside of school.

DISCUSSION

Assistant Superintendent April Leiferman will present examples of the recommended materials. Approval of the Core Instructional Materials will be on the Agenda for the next regular Board meeting on August 17, 2016.

FISCAL, STAFFING, AND FACILITIES

The core instructional materials on this list are substantially less expensive than the textbooks on the State Adopted textbook list. There are less textbook materials and more genres of materials such as weekly newspapers, fluency materials, literature books, and online programs.

SUPERINTENDENT'S RECOMMENDATION

The Superintendent recommends approval of the updated CA State Standards aligned core instructional materials.

Report prepared by: April Leiferman – Assistant Superintendent

Instructional Materials - LCOE

Updated: June 7, 2016

Tentative Board Approval Date: August 17, 2016
