Office of the Superintendent

Issuing of Temporary County Certificates to Qualified Individuals

ISSUE

Report on Temporary County Certificates (TCCs) issued January 1 - Present.

BACKGROUND/PREVIOUS BOARD ACTIVITY

The Board authorized the County Superintendent of Schools to issue a Temporary County Certificate (TCC) to qualified individuals on March 18, 2015.

DISCUSSION

California Education Code prohibits the payment of salary or compensation to individuals who complete certificated work, who do not possess a valid California Credential. EC 44332 allows County Boards of Education to issue a Temporary County Certificate (TCC) to qualified individuals whose credential applications are being processed by the California Commission on Teacher Credentialing (CTC). The TCC allows school districts within the county to legally pay an employee for certificated work. The CTC can take months to process a new credential application. When districts send an individual to the credential analyst, time is usually of the essence. The district needs the employee to start teaching as soon as possible. Waiting for the next County Board of Education meeting is frequently not practical. The County Superintendent or designee may continue to issue TCCs with the approval of the County Board of Education. A report will be generated for the County Board of Education, to review who has been issued a TCC, what credential they have applied for, and where they are employed.
