to the Mock Trial Program**

ISSUE

Approval and acceptance of \$1000 donation from the Lake County Bar Association to support the Mock Trial team advancing to state competition

BACKGROUND/PREVIOUS BOARD ACTIVITY

The Board approved a donation to the Mock Trial program from the Lake County Wine Alliance on January 17, 2018.

DISCUSSION

Currently two districts participate in Mock Trial. Each district pays a participation fee as outlined in the yearly MOU. This fee covers the cost of curriculum, coordinating and hosting the scrimmage and county competition. Teams must pay for their own expenses if attending the state level competition.

FISCAL, STAFFING, AND FACILITIES

Donated funds are deposited with LCOE and passed through to the district upon receiving their invoice.

SUPERINTENDENT'S RECOMMENDATION

The County Superintendent of Schools recommends approval and acceptance of this donation.
