LCAP Priority 1 – Basic Services or Basic Condition at Schools

ISSUE – LCFF statute requires that the new CA Accountability System include standards for all LCFF priorities. The criteria for state indicators include: (1) being valid and reliable measures, (2) having comparable, state-level data, and (3) the ability to disaggregate data by student groups. However, there are several LCFF priority areas that do not meet the criteria established for state indicators. These remaining priority areas are considered local indicators and will require LEAs to indicate Met, Not Met, or Not Met for Two or More Years for each applicable indicator. For each local indicator on the Equity Report, LEAs must complete the following steps to meet the approved standard:

1. Measure their progress using locally available information,
2. Report the results to the LEA’s local governing board at a regularly scheduled public meeting of the local governing board, and
3. Upload and publicly report the results through the Dashboard.

BACKGROUND/PREVIOUS BOARD ACTIVITY – On March 15 we presented the Local Indicators to the Board. Local indicators include Priority 1 - Basics (Teachers, Instructional Materials, Facilities), Priority 2 - Implementation of Academic Standards, Priority 3 - Parent Engagement and Priority 6 - Local Climate Survey.

DISCUSSION – The State Board of Education is working on specific requirements for reporting Local Indicators and will release this information in the next several weeks. Though there is no requirement for LEAs to submit at this time, the Lake County Office of Education would like to complete the process for Priority 1. This will allow LCOE to support districts in our county as the requirements for reporting Local Indicators are released by SBE.
