TO TEACH. TO SERVE. TO LEARN.

April 20, 2016

Mr. Arturo Reyes
Superintendent/President
Mendocino-Lake Community College District
1000 Hensley Creek Road
Ukiah, CA 95482

Dear Mr. Reyes,

The Lake County Board of Education endorses the joint petition of transfer of territory submitted by the Mendocino-Lake Community College District and the Redwood Community College District under California Education Code Section 72023. This petition has already been approved by the Mendocino County Committee on School District Organization. If the petition is approved, the boundaries of the Redwoods CCD will be changed to eliminate the inhabited territory located with Mendocino County and this area will transfer to the Mendocino-Lake CCD.

Our Board of Education supports this course of action.

Sincerely,

Brock Falkenberg
Lake County Superintendent of Schools
