**Resolution Adopting the Gann Limit
Resolution No. 1819-03**

ISSUE

Current law (Education Code section 42132) requires that the governing board adopt a resolution to identify the appropriations limit for the agency for the preceding fiscal year (2016-17). The resolution must be adopted at a regular or special meeting of the governing board.

BACKGROUND/PREVIOUS BOARD ACTIVITY

The Lake County Office of Education's 2016-17 Gann Limit was increased by Resolution No. 1718-04.

DISCUSSION

School Services provides a great explanation of how the Gann Limit works: Envision the dollar amount of your agency's Gann Limit as a bucket. For example, if your current year Gann Limit is \$50 million, picture a bucket that can hold \$50 million. First, put into this bucket local property taxes that count toward your Local Control Funding Formula entitlement, as well as an appropriate portion of your district's interest income. Next, pour all of the district's other unrestricted state aid into this bucket. Under state law (Government Code [G.C.] Section 7906), the amount of state aid that fills up the bucket counts toward your district's Gann Limit, while the amount that overflows the bucket counts toward the state's Gann Limit. In addition, all state aid for categorical programs always counts toward the state's Gann Limit.

Through this process, as much state aid as possible counts toward school agency Gann Limits. By reducing the amount of state aid that counts toward the state's Gann Limit in this manner, this process helps the state avoid being over its Gann Limit.

The Lake County Office of Education's Gann limit is inflated because the formula compares appropriations on a per ADA basis, which is declining in the county operated schools, and LCFF appropriations are held harmless at the 2012-13 funding level (flat funded).

FISCAL, STAFFING, AND FACILITIES

Increasing the Gann Limit does not affect the agency's appropriations. It does however; reduce the State's Gann Limit by an equal amount.

SUPERINTENDENT'S RECOMMENDATION

The County Superintendent of Schools recommends adoption of Resolution No. 1819-03.
