

LAKE COUNTY OFFICE OF EDUCATION
Office of the Superintendent

CONSOLIDATED APPLICATION

ISSUE

The Local Educational Agency is required to review and receive approval of the Application for Funding selections with the Local Governing Board

BACKGROUND/PREVIOUS BOARD ACTIVITY

The Consolidated Application (ConApp) is used by the California Department of Education (CDE) to distribute categorical funds from various state and federal programs to county offices, school districts, and direct-funded charter schools throughout California. Annually, each Local Educational Agency submits the spring release of the application to document participation in these programs and provide assurances that the district will comply with the legal requirements of each program. Program entitlements are determined by formulas contained in the laws that created the programs. This is a separate funding source from the Local Control Accountability Plan.

The Board previously approved the Consolidated Application on June 21, 2017.

DISCUSSION

Lake County Office of Education applies for funding through Title I Part A (Basic Grant), Title I Part D (Facilities Report At-Risk Programs), and Title II Part A (Educator Quality).

FISCAL, STAFFING, AND FACILITIES

Title Programs provide substantial funding to county-run programs including Instructional Aides, professional development, and conferences.

Pursuant to Section 1112 (Title 20, United States Code, Section 6312) of the Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act (ESSA), a local educational agency (LEA) may receive a subgrant from the State only if the LEA has on file with the State a plan approved by the State educational agency.

Within California, LEAs that apply for ESSA funds are required to complete the Local Control and Accountability Plan (LCAP), the LCAP Federal Addendum Template (Addendum), and the Consolidated Application (ConApp). The LCAP, in conjunction with the Addendum and the ConApp, serve as the ESSA LEA Plan.

In order to apply for funds, the LEA must certify that the completed Addendum will be approved by the local governing board or governing body of the LEA and submitted to the California Department of Education (CDE), and that the LEA will work with the CDE to ensure that the Addendum addresses all required provisions of the ESSA programs for which they are applying for federal education funds.
