**Priority 2 – Standards Implementation**

**ISSUE** – LCFF statute requires that the new CA Accountability System include standards for all LCFF priorities. The criteria for state indicators include: (1) being valid and reliable measures, (2) having comparable, state-level data, and (3) the ability to disaggregate data by student groups. However, there are several LCFF priority areas that do not meet the criteria established for state indicators. These remaining priority areas are considered local indicators and will require LEAs to indicate Met, Not Met, or Not Met for Two or More Years for each applicable indicator. For each local indicator on the Equity Report, LEAs must complete the following steps to meet the approved standard:

1. Measure their progress using locally available information,
2. Report the results to the LEA’s local governing board at a regularly scheduled public meeting of the local governing board, and
3. Upload and publicly report the results through the Dashboard.

**BACKGROUND/PREVIOUS BOARD ACTIVITY** – In previous meetings we have presented the Local Indicators to the board. The Local Indicators include priority 1 - Basics (Teachers, Instructional Materials, Facilities), Priority 2 - Implementation of Academic Standards, Priority 3 - Parent Engagement, Priority 6 - Local Climate Survey and Priority 7 - Access to a Broad Course of Study.

**DISCUSSION** – The State Board of Education requires all districts, including County Offices of Education, to indicate if they have met each Local Indicator. This information must be reported by November for the 2019 CA School Dashboard. By reporting this information to our governing board, LCOE will qualify for the “Met” criteria.

**FISCAL, STAFFING, AND FACILITIES** – No impact on fiscal, staffing or facilities

**SUPERINTENDENT’S RECOMMENDATION** – None, information only
