

In/Check-Out and ongoing mentoring.

G2/A20: Many Hance students struggle with uncertain home situations. To combat hunger, Hance will provide food backpacks for students each Friday. We will send home nutritious foods so that students have meals over the weekend.

G2/A21: Field trips were less expensive than expected.

G2/A22: All schools in Lake County are part of the School Safety grant which provides training and support for Proactive Behavior and Intervention Supports. As part of PBIS each school provides incentives to students for making positive choices. This has proven to be especially effective at Hance where students have not made appropriate choices in the past.
