

What to do if...	Action Needed	Back to School...
 <p>... my child has symptoms* of COVID-19</p>	<ul style="list-style-type: none"> <li>• Child should not attend school.</li> <li>• Child should get a test.</li> <li>• Entire household quarantines while waiting for test results.</li> <li>• Inform school immediately about the results.</li> </ul>	<p>...when child's test comes back negative and child is without symptoms* for at least 24 hours. If no test results available child should complete 10 days isolation.</p>
 <p>... my child has tested positive for COVID-19</p>	<ul style="list-style-type: none"> <li>• Child should not attend school.</li> <li>• Child self-isolates for at least 10 days from when symptoms* started (or from day of test if no symptoms).</li> <li>• Inform school immediately about test results.</li> <li>• Entire household quarantines for 14 days from day when symptoms* started (or from day of test if no symptoms) – even if someone tests negative during those 14 days.</li> </ul>	<p>... when child has completed 10 days of self-isolation, feels better, and has been without a fever for at least 24 hours.</p> <p>They can return to school after 10 days even if they have a cough or loss of smell/taste. These symptoms can last for several weeks once the infection is gone.</p>
 <p>... someone in my household has symptoms* of COVID-19</p>	<ul style="list-style-type: none"> <li>• Child should not attend school.</li> <li>• Child should get a test.</li> <li>• Entire household quarantines while waiting for test results.</li> <li>• Inform school immediately about the results.</li> </ul>	<p>...when household members test is negative, and child does not have COVID-19 symptoms*</p>
 <p>... someone in my household tested positive for COVID-19</p>	<ul style="list-style-type: none"> <li>• Child should not attend school.</li> <li>• Entire household quarantines for 14 days from day when symptoms* started (or from day of test if no symptoms) – even if someone tests negative during those 14 days.</li> </ul>	<p>...when child has completed 14 days of quarantine, even if they test negative during the 14 days.</p>
 <p>... Public Health Contact Tracers have identified my child as a 'close contact' of somebody with symptoms* or confirmed COVID-19</p>	<ul style="list-style-type: none"> <li>• Child should not attend school.</li> <li>• Child quarantines for 14 days (as advised by Public Health Contact Tracer) – even if they test negative during those 14 days.</li> <li>• Rest of household does not need to quarantine, unless they are a 'close contact' too.</li> </ul>	<p>...when the child has completed 14 days of quarantine, even if they test negative during those 14 days.</p>
 <p>... we/my child has traveled and is required to quarantine</p>	<ul style="list-style-type: none"> <li>• Follow Local, State and Federal guidance requirements for travel.</li> <li>• Provide information to school as per attendance policy.</li> </ul> <p><b>Returning from a destination where quarantine is needed:</b></p> <ul style="list-style-type: none"> <li>• Child should not attend school.</li> <li>• Entire household quarantines for 14 days – even if they test negative during those 14 days.</li> </ul>	<p>...when the quarantine period of 14 days has been completed for the child, even if they test negative during those 14 days.</p>
 <p>... we have received advice from a medical official that my child must quarantine/isolate</p>	<ul style="list-style-type: none"> <li>• Child should not attend school.</li> <li>• Contact school as advised by school attendance personnel.</li> <li>• Child should quarantine/isolate until you are informed that restrictions are lifted.</li> </ul>	<p>...when school / other agencies informs you that restrictions have been lifted and your child can return to school again.</p>

\*Symptoms include at least one of the following: a high temperature, a new continuous cough, loss of or change to sense of smell or taste, or sore throat. For more COVID-19 symptom information visit: <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html#self-checker/>
