ANIMALS AT SCHOOL**Use of Animals for Instructional Purposes**

Before any student or employee brings an animal to school for an instructional purpose, he/she shall receive written permission from the program manager/administrator or designee. The program manager/administrator or designee shall give such permission only after he/she has provided written notification to all parents/guardians of students in the affected class, asking them to verify whether their child has any known allergies, asthma, or other health condition that may be aggravated by the animal's presence. When a parent/guardian has provided notification that his/her child has an allergy, asthma, or other health condition that may be aggravated by the animal, the program manager/administrator shall take appropriate measures to protect the student from exposure to the animal.

(cf. 3514 - Environmental Safety)

(cf. 5141.21 - Administering Medication and Monitoring Health Conditions)

(cf. 5141.23 - Asthma Management)

All animals brought to school must be in good physical condition and must be appropriately immunized. The teacher shall ensure that the species of animal is appropriate for the instructional purpose and age and maturity of the students.

All animals brought to school shall be adequately fed, effectively controlled, humanely treated, and properly housed in cages or containers suitable for the species. The teacher shall ensure that cages and containers are cleaned regularly and that waste materials are removed and disposed of in an appropriate manner.

(cf. 5141 - Health Care and Emergencies)

(cf. 5142 - Safety)

The teacher shall ensure that students receive instructions regarding the proper handling of and personal hygiene around animals.

(cf. 5141.22 - Infectious Diseases)

Except for service animals, as defined below, all animals are prohibited on school transportation services. (Education Code 39839; 13 CCR 1216)

(cf. 3541.2 - Transportation for Students with Disabilities)

(cf. 5131.1 - Bus Conduct)

Use of Service Animals by Individuals with Disabilities

For an individual with a disability, *service animal* means any dog that is individually trained to do work or perform tasks related to the individual's disability and for his/her benefit. For example, for an individual who is blind or has low vision, a service animal would mean a dog

ANIMALS AT SCHOOL (continued)

that helps him/her with vision, navigation, and other tasks; for an individual who is deaf or hard of hearing, a service animal would mean a dog that alerts him/her to the presence of people or sounds; and for an individual with psychiatric or neurological disabilities, a service animal would mean a dog that assists him/her by preventing or interrupting impulsive or destructive behaviors. (28 CFR 35.104)

Individuals with disabilities may be accompanied on school premises and on school transportation by service animals, including specially trained guide dogs, signal dogs, or service dogs. (Education Code 39839; Civil Code 54.2; 28 CFR 35.136)

(cf. 0410 - Nondiscrimination in District Programs and Activities)

(cf. 3541.2 - Transportation for Students with Disabilities)

(cf. 6159 - Individualized Education Program)

(cf. 6164.6 - Identification and Education Under Section 504)

The Lake County Superintendent of Schools may permit the use of a miniature horse as a service animal when the horse has been individually trained to do work or perform tasks for the benefit of an individual with a disability, provided that: (28 CFR 35.136)

1. The Lake County Office of Education's facility can accommodate the type, size, and weight of the horse.
2. The individual has sufficient control of the horse.
3. The horse is housebroken.
4. The horse's presence in the specific facility does not compromise legitimate safety requirements of the facility.

The County Superintendent or designee may ask any individual with a disability to remove his/her service animal from school premises or transportation if the animal is out of control and the individual does not take effective action to control it or the animal is not housebroken. When an individual's service animal is excluded, he/she shall be given an opportunity to participate in the service, program, or activity without having the service animal present. (Education Code 39839; Civil Code 54.2; 28 CFR 35.136)

STUDENT USE OF TECHNOLOGY

The County Board of Education intends that technological resources provided by the district be used in a safe and responsible manner in support of the instructional program and for the advancement of student learning. All students using these resources shall receive instruction in their proper and appropriate use.

(cf. 0440 - District Technology Plan)

(cf. 1113 - District and School Web Sites)

(cf. 1114 - District-Sponsored Social Media)

(cf. 4040 - Employee Use of Technology)

(cf. 6163.1 - Library Media Centers)

Teachers, administrators, and/or library media specialists are expected to review the technological resources and online sites that will be used in the classroom or assigned to students in order to ensure that they are appropriate for the intended purpose and the age of the students.

The Superintendent or designee shall notify students and parents/guardians about authorized uses of LCOE technology, user obligations and responsibilities, and consequences for unauthorized use and/or unlawful activities in accordance with this Board policy and the LCOE's Acceptable Use Agreement.

LCOE technology includes, but is not limited to, computers, the LCOE's computer network including servers and wireless computer networking technology (wi-fi), the Internet, email, USB drives, wireless access points (routers), tablet computers, smartphones and smart devices, telephones, cellular telephones, personal digital assistants, pagers, MP3 players, wearable technology, any wireless communication device including emergency radios, and/or future technological innovations, whether accessed on or off site or through district-owned or personally owned equipment or devices.

Before a student is authorized to use LCOE technology, the student and his/her parent/guardian shall sign and return the Acceptable Use Agreement. In that agreement, the parent/guardian shall agree not to hold the LCOE or any LCOE staff responsible for the failure of any technology protection measures or user mistakes or negligence and shall agree to indemnify and hold harmless the LCOE and LCOE staff for any damages or costs incurred.

(cf. 6162.6 - Use of Copyrighted Materials)

The LCOE reserves the right to monitor student use of technology within the jurisdiction of the LCOE without advance notice or consent. Students shall be informed that their use of LCOE technology, including, but not limited to, computer files, email, text messages, instant messaging, and other electronic communications, is not private and may be accessed by the LCOE for the purpose of ensuring proper use. Students have no reasonable expectation of privacy in use of the LCOE technology. Students' personally owned devices shall not be searched except in cases where there is a reasonable suspicion, based on specific and objective facts, that the search will uncover evidence of a violation of law, LCOE policy, or school rules.

Inappropriate use also may result in disciplinary action and/or legal action in accordance with law and Board policy.

(cf. 5125.2 - Withholding Grades, Diploma or Transcripts)

(cf. 5144 - Discipline)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

(cf. 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities))

The Superintendent or designee, with input from students and appropriate staff, shall regularly review and update procedures to enhance the safety and security of students using LCOE technology and to help ensure that the LCOE adapts to changing technologies and circumstances.

Internet Safety

The Superintendent or designee shall ensure that all LCOE computers with Internet access have a technology protection measure that protects against access to visual depictions that are obscene, child pornography, or harmful to minors and that the operation of such measures is enforced. (20 USC 6777; 47 USC 254; 47 CFR 54.520)

To reinforce these measures, the Superintendent or designee shall implement rules and procedures designed to restrict students' access to harmful or inappropriate matter on the Internet and to ensure that students do not engage in unauthorized or unlawful online activities.

Harmful matter includes matter, taken as a whole, which to the average person, applying contemporary statewide standards, appeals to the prurient interest and is matter which depicts or describes, in a patently offensive way, sexual conduct and which lacks serious literary, artistic, political, or scientific value for minors. (Penal Code 313)

STUDENT USE OF TECHNOLOGY (continued)

The LCOE's Acceptable Use Agreement shall establish expectations for appropriate student conduct when using the Internet or other forms of electronic communication, including, but not limited to, prohibitions against:

1. Accessing, posting, submitting, publishing, or displaying harmful or inappropriate matter that is threatening, obscene, disruptive, or sexually explicit, or that could be construed as harassment or disparagement of others based on their race/ethnicity, national origin, sex, gender, sexual orientation, age, disability, religion, or political beliefs

(cf. 5131 - Conduct)

(cf. 5131.2 - Bullying)

(cf. 5145.3 - Nondiscrimination/Harassment)

(cf. 5145.7 - Sexual Harassment)

(cf. 5145.9 - Hate-Motivated Behavior)

2. Intentionally uploading, downloading, or creating computer viruses and/or maliciously attempting to harm or destroy LCOE equipment or materials or manipulate the data of any other user, including so-called "hacking"
3. Distributing personal identification information, including the name, address, telephone number, Social Security number, or other personally identifiable information, of another student, staff member, or other person with the intent to threaten, intimidate, harass, or ridicule that person

The Superintendent or designee shall provide age-appropriate instruction regarding safe and appropriate behavior on social networking sites, chat rooms, and other Internet services. Such instruction shall include, but not be limited to, the dangers of posting one's own personal identification information online, misrepresentation by online predators, how to report inappropriate or offensive content or threats, behaviors that constitute cyberbullying, and how to respond when subjected to cyberbullying.

AND RELEASE OF LCOE FROM LIABILITY (STUDENTS)**

The Lake County Office of Education authorizes students to use technology owned or otherwise provided by the COE as necessary for instructional purposes. The use of COE technology is a privilege permitted at the COE's discretion and is subject to the conditions and restrictions set forth in applicable Board policies, administrative regulations, and this Acceptable Use Agreement. The COE reserves the right to suspend access at any time, without notice, for any reason.

The COE expects all students to use technology responsibly in order to avoid potential problems and liability. The COE may place reasonable restrictions on the sites, material, and/or information that students may access through the system.

Each student who is authorized to use COE technology and his/her parent/guardian shall sign this Acceptable Use Agreement as an indication that they have read and understand the agreement.

Definitions

COE technology includes, but is not limited to, computers, the COE's computer network including servers and wireless computer networking technology (wi-fi), the Internet, email, USB drives, wireless access points (routers), tablet computers, smartphones and smart devices, telephones, cellular telephones, personal digital assistants, pagers, MP3 players, wearable technology, any wireless communication device including emergency radios, and/or future technological innovations, whether accessed on or off site or through COE-owned or personally owned equipment or devices.

Student Obligations and Responsibilities

Students are expected to use COE technology safely, responsibly, and for educational purposes only. The student in whose name COE technology is issued is responsible for its proper use at all times. Students shall not share their assigned online services account information, passwords, or other information used for identification and authorization purposes, and shall use the system only under the account to which they have been assigned.

Students are prohibited from using COE technology for improper purposes, including, but not limited to, use of COE technology to:

1. Access, post, display, or otherwise use material that is discriminatory, libelous, defamatory, obscene, sexually explicit, or disruptive
2. Bully, harass, intimidate, or threaten other students, staff, or other individuals ("cyberbullying")

STUDENT USE OF TECHNOLOGY (continued)

3. Disclose, use, or disseminate personal identification information (such as name, address, telephone number, Social Security number, or other personal information) of another student, staff member, or other person with the intent to threaten, intimidate, harass, or ridicule that person
4. Infringe on copyright, license, trademark, patent, or other intellectual property rights
5. Intentionally disrupt or harm COE technology or other COE operations (such as destroying COE equipment, placing a virus on COE computers, adding or removing a computer program without permission from a teacher or other COE personnel, changing settings on shared computers)
6. Install unauthorized software
7. "Hack" into the system to manipulate data of the COE or other users
8. Engage in or promote any practice that is unethical or violates any law or Board policy, administrative regulation, or COE practice

Privacy

Since the use of COE technology is intended for educational purposes, students shall not have any expectation of privacy in any use of COE technology.

The COE reserves the right to monitor and record all use of COE technology, including, but not limited to, access to the Internet or social media, communications sent or received from COE technology, or other uses. Such monitoring/recording may occur at any time without prior notice for any legal purposes including, but not limited to, record retention and distribution and/or investigation of improper, illegal, or prohibited activity. Students should be aware that, in most instances, their use of COE technology (such as web searches and emails) cannot be erased or deleted.

All passwords created for or used on any COE technology are the sole property of the COE. The creation or use of a password by a student on COE technology does not create a reasonable expectation of privacy.

Personally Owned Devices

If a student uses a personally owned device to access COE technology, he/she shall abide by all applicable Board policies, administrative regulations, and this Acceptable Use Agreement. Any such use of a personally owned device may subject the contents of the device and any communications sent or received on the device to disclosure pursuant to a lawful subpoena or public records request.

Reporting

If a student becomes aware of any security problem (such as any compromise of the confidentiality of any login or account information) or misuse of COE technology, he/she shall immediately report such information to the teacher or other COE personnel.

STUDENT USE OF TECHNOLOGY (continued)

Consequences for Violation

Violations of the law, Board policy, or this agreement may result in revocation of a student's access to COE technology and/or discipline, up to and including suspension or expulsion. In addition, violations of the law, Board policy, or this agreement may be reported to law enforcement agencies as appropriate.

Student Acknowledgment

I have received, read, understand, and agree to abide by this Acceptable Use Agreement and other applicable laws and COE policies and regulations governing the use of COE technology. I understand that there is no expectation of privacy when using COE technology. GUIDANCE/COUNSELING SERVICES

Cautionary Notice: AB 97 (Ch. 47, Statutes of 2013) repealed Education Code 42605, which provided temporary flexibility for specified "Tier 3" categorical programs, and instead redirects the funding for those categorical programs into the Local Control Funding Formula (LCFF) (Education Code 42238.01-42251). Certain requirements related to Tier 3 categorical program(s) in the following policy or regulation are no longer applicable.

IDENTIFICATION AND EVALUATION OF INDIVIDUALS FOR SPECIAL EDUCATION

Referrals for Special Education Services

A student shall be referred for special education instruction and services only after the resources of the regular education program have been considered and used where appropriate. (Education Code 56303)

All referrals from school staff for special education and related services shall include a brief reason for the referral and description of the regular program resources that were considered and/or modified for use with the student and their effect. (5 CCR 3021)

Initial Evaluation for Special Education Services

Before the initial provision of special education and related services to a student with a disability, the Lake County Office of Education shall conduct a full and individual initial evaluation of the student. (Education Code 56320; 34 CFR 300.301)

Upon receipt of a referral of any student for special education and related services, a proposed evaluation plan shall be developed within 15 days, not counting days between the student's regular school sessions or terms or days of school vacation in excess of five school days, unless the parent/guardian agrees, in writing, to an extension. If the referral is made within 10 days or less prior to the end of the student's regular school year or term, the proposed evaluation plan shall be developed within 10 days after the beginning of the next regular school year or term. (Education Code 56043, 56321)

The proposed evaluation plan shall meet all of the following requirements: (Education Code 56321)

1. Be in a language easily understood by the general public
2. Be provided in the native language of the parent/guardian or other mode of communication used by the parent/guardian unless it is clearly not feasible
3. Explain the types of evaluation to be conducted
4. State that no individualized education program (IEP) will result from the evaluation without parent/guardian consent

(cf. 6159 - Individualized Education Program)

Before conducting an initial evaluation, LCOE shall provide the parent/guardian with prior written notice in accordance with 34 CFR 300.503. In addition, as part of the evaluation plan, the parent/guardian shall receive written notice that includes all of the following information: (Education Code 56329; 34 CFR 300.304, 300.504)

IDENTIFICATION AND EVALUATION OF INDIVIDUALS FOR SPECIAL EDUCATION (continued)

1. Upon completion of the administration of tests and other evaluation materials, an IEP team meeting that includes the parent/guardian or his/her representative shall be scheduled pursuant to Education Code 56341. At this meeting, the team shall determine whether or not the student is a student with disabilities, as defined in Education Code 56026, and shall discuss the evaluation, the educational recommendations, and the reasons for the recommendations.
2. When making a determination of eligibility for special education, LCOE shall not determine that the student is disabled if the primary factor for such determination is lack of appropriate instruction in reading, including the essential components of reading instruction as defined in 20 USC 6368, lack of appropriate instruction in mathematics, or limited English proficiency.
3. A copy of the evaluation report and the documentation of determination of eligibility shall be given to the parent/guardian.
4. If the parent/guardian disagrees with an evaluation obtained by LCOE, he/she has the right to obtain, at public expense, an independent educational evaluation (IEE) of the student from qualified specialists, in accordance with 34 CFR 300.502. The parent/guardian is entitled to only one such evaluation at public expense each time LCOE conducts an assessment with which the parent/guardian disagrees.

If LCOE observed the student in conducting its evaluation, or if its evaluation procedures make it permissible to have in-class observation of the student, an equivalent opportunity shall apply to the IEE. This equivalent opportunity shall apply to the student's current placement and setting as well as observation of LCOE's proposed placement and setting, if any, regardless of whether the IEE is initiated before or after the filing of a due process hearing proceeding.

5. LCOE may initiate a due process hearing pursuant to Education Code 56500-56508 to show that its evaluation is appropriate. If the final decision resulting from the due process hearing is that the evaluation is appropriate, the parent/guardian maintains the right for an IEE, but not at public expense.

If the parent/guardian obtains an IEE at private expense, the results of the IEE shall be considered by LCOE with respect to the provision of a free appropriate public education (FAPE) to the student, and may be presented as evidence at a due process hearing regarding the student. If LCOE observed the student in conducting its evaluation, or if its evaluation procedures make it permissible to have in-class

IDENTIFICATION AND EVALUATION OF INDIVIDUALS FOR SPECIAL EDUCATION (continued)

observation of a student, an equivalent opportunity shall apply to an IEE of the student in the student's current educational placement and setting and in any educational placement and setting proposed by LCOE, regardless of whether the IEE is initiated before or after the filing of a due process hearing.

6. If the parent/guardian proposes a publicly financed placement of the student in a nonpublic school, LCOE shall have an opportunity to observe the proposed placement and, if the student has already been unilaterally placed in the nonpublic school by his/her parent/guardian, the student in that proposed placement. Any such observation shall only be of the student who is the subject of the observation and shall not include the observation or evaluation of any other student in the proposed placement unless that other student's parent/guardian consents to the observation or evaluation. The results of any observation or evaluation of another student in violation of Education Code 56329(d) shall be inadmissible in any due process or judicial proceeding regarding FAPE of that other student.

(cf. 5145.6 - Parental Notifications)

(cf. 6159.1 - Procedural Safeguards and Complaints for Special Education)

(cf. 6164.41 - Children with Disabilities Enrolled by their Parents in Private School)

Parent/Guardian Consent for Evaluations

Upon receiving the proposed evaluation plan, the parent/guardian shall have at least 15 days to decide whether or not to consent to the initial evaluation. LCOE shall not interpret parent/guardian consent for initial evaluation as consent for initial placement or initial provision of special education services. (Education Code 56321; 34 CFR 300.300)

Informed parental consent means that the parent/guardian: (Education Code 56021.1; 34 CFR 300.9)

1. Has been fully informed, in his/her native language or other mode of communication, of all information relevant to the activity for which consent is sought
2. Understands and agrees, in writing, to the carrying out of the activity for which his/her consent is sought and the consent describes that activity and lists the records (if any) that will be released and to whom
3. Understands that the granting of consent is voluntary on his/her part and may be revoked at any time
4. Understands that if he/she revokes consent, that revocation is not retroactive (i.e., it does not negate an action that has occurred after the consent was given and before the consent was revoked)

IDENTIFICATION AND EVALUATION OF INDIVIDUALS FOR SPECIAL EDUCATION (continued)

LCOE shall make reasonable efforts to obtain the informed consent of the parent/guardian for an initial evaluation or reevaluation of a student. LCOE shall maintain a record of its attempts to obtain consent, including: (Education Code 56321, 56341.5; 34 CFR 300.300, 300.322)

1. Detailed records of telephone calls made or attempted and the results of those calls
2. Copies of correspondence sent to the parent/guardian and any responses received
3. Detailed records of visits made to the parent/guardian's home or place of employment and the results of those visits

If a parent/guardian refuses to consent to the initial evaluation or fails to respond to a request to provide consent, LCOE may, but is not required to, pursue an evaluation by utilizing the procedural safeguards, including the mediation and due process procedures pursuant to 20 USC 1415 and 34 CFR 300.506-300.516. (Education Code 56321; 34 CFR 300.300)

For a student who is a ward of the state and not residing with his/her parent/guardian, LCOE may conduct an initial evaluation without obtaining informed consent if any of the following situations exists: (Education Code 56321.1; 20 USC 1414; 34 CFR 300.300)

1. Despite reasonable efforts to do so, LCOE cannot discover the whereabouts of the parent/guardian of the student.
2. The rights of the parent/guardian of the student have been terminated in accordance with California law.
3. The rights of the parent/guardian to make educational decisions have been subrogated by a judge in accordance with California law and consent for an initial evaluation has been given by an individual appointed by the judge to represent the student.

(cf. 6159.3 - Appointment of Surrogate Parent for Special Education Students)

LCOE need not obtain parent/guardian consent before reviewing existing data as part of an evaluation or administering a test or other evaluation that is administered to all students, unless consent is required from the parents/guardians of all students. (Education Code 56321; 34 CFR 300.300)

Conduct of the Evaluation

LCOE shall complete the determination as to whether the student is a student with a disability, conduct the initial evaluation to determine his/her educational needs, and develop an IEP within 60 days of receiving informed parent/guardian consent for the evaluation. (Education Code 56344; 34 CFR 300.300, 300.301)

IDENTIFICATION AND EVALUATION OF INDIVIDUALS FOR SPECIAL EDUCATION (continued)

The evaluation shall be conducted by qualified personnel who are competent to perform the assessment as determined by LCOE. (Education Code 56320, 56322)

The screening of a student by a teacher or specialist to determine appropriate instructional strategies for curriculum implementation shall not be considered to be an evaluation for eligibility for special education and related services. (34 CFR 300.302)

In conducting the evaluation, LCOE shall use a variety of assessment tools and strategies to gather relevant functional, developmental, and academic information about the student. LCOE shall also use any information provided by the parent/guardian that may assist it in making the determination as to whether the student is a student with a disability and, if so, the necessary components of his/her IEP when the IEP is developed, including information related to enabling the student to be involved in and to progress in the general education curriculum. (34 CFR 300.304)

LCOE's evaluation shall not use any single measure or assessment as the sole criterion for determining whether a student is a student with a disability and for determining the appropriate educational program for the student. The assessment shall use technically sound instruments that may assess the relative contribution of cognitive and behavioral factors in addition to physical or developmental factors. (34 CFR 300.304)

LCOE shall also ensure that assessments and other evaluation materials provide relevant information that assists in determining the student's educational needs and are: (Education Code 56320; 34 CFR 300.304)

1. Selected and administered so as not to be discriminatory on a racial, cultural, or sexual basis
2. Provided and administered in the language and form most likely to yield accurate information on what the student knows and can do academically, developmentally, and functionally, unless it is clearly not feasible to so provide or administer
3. Used for the purposes for which the assessments or measures are valid and reliable
4. Administered by trained and knowledgeable personnel
5. Administered in accordance with any instructions provided by the producer of the assessments
6. Tailored to assess specific areas of educational need and not merely designed to provide a single general intelligence quotient

IDENTIFICATION AND EVALUATION OF INDIVIDUALS FOR SPECIAL EDUCATION (continued)

7. If administered to a student with impaired sensory, manual, or speaking skills, selected and administered to best ensure that the results accurately reflect the student's aptitude or achievement level or whatever other factors the test purports to measure

Students shall be assessed in all areas related to the suspected disability, including, if appropriate, health and development, vision (including low vision), hearing, motor abilities, language function, general intelligence, academic performance, communicative status, self-help, orientation and mobility skills, career and vocational abilities and interests, and social and emotional status. When appropriate, a developmental history shall be obtained. LCOE shall ensure that the evaluation is sufficiently comprehensive to identify all of the student's special education and related service needs, whether or not commonly linked to the disability category in which the student has been classified. (Education Code 56320; 34 CFR 300.304)

As part of the initial evaluation and any reevaluation, the IEP team and other qualified professionals shall, if appropriate, review existing evaluation data on the student, including evaluations and information provided by the parents/guardians, current classroom-based local or state assessments and classroom-based observations, and observations by teachers and related services providers. On the basis of that review and input from the student's parent/guardian, the team shall identify what additional data, if any, are needed to determine: (Education Code 56381; 34 CFR 300.305)

1. Whether the student is a student with a disability, or in the case of a reevaluation, whether the student continues to have a disability, and the educational needs of the student
2. The present levels of academic achievement and related developmental needs of the student
3. Whether the student needs, or continues to need, special education and related services
4. Whether any additions or modifications to the special education and related services are needed to enable the student to meet the measurable annual goals set out in his/her IEP and to participate, as appropriate, in the general education curriculum

If a student transfers into or leaves LCOE in the same school year, LCOE shall coordinate with the student's prior or subsequent district or local educational agency as necessary and as expeditiously as possible to ensure prompt completion of full evaluations. (34 CFR 300.304)

IDENTIFICATION AND EVALUATION OF INDIVIDUALS FOR SPECIAL EDUCATION (continued)**Eligibility Determination**

Upon completion of the administration of assessments and other evaluation measures, a group of qualified professionals and the parent/guardian shall determine whether the student is a student with a disability and, if so, his/her educational needs. In interpreting the data, the group shall draw information from a variety of sources, including aptitude and achievement tests, parent/guardian input, and teacher recommendations, as well as information about the student's physical condition, social or cultural background, and adaptive behavior. The group shall ensure that the information obtained from these sources is documented and carefully considered. (34 CFR 300.306)

The personnel who evaluate the student shall prepare a written report of the results of each evaluation. The report shall include, but not be limited to, the following: (Education Code 56327)

1. Whether the student may need special education and related services
2. The basis for making the determination
3. The relevant behavior noted during the observation of the student in an appropriate setting
4. The relationship of that behavior to the student's academic and social functioning
5. The educationally relevant health, developmental, and medical findings, if any
6. For students with learning disabilities, whether there is such a discrepancy between achievement and ability that it cannot be corrected without special education and related services
7. A determination concerning the effects of environmental, cultural, or economic disadvantage, where appropriate
8. The need for specialized services, materials, and equipment for students with low incidence disabilities, consistent with Education Code 56136

When making a determination of eligibility for special education and related services, LCOE shall not determine that a student is disabled if the primary factor for such determination is a lack of appropriate instruction in reading, including the essential components of reading instruction pursuant to 20 USC 6368, lack of instruction in mathematics, limited English proficiency, or that the student does not otherwise meet the eligibility criteria. (Education Code 56329; 34 CFR 300.306)

IDENTIFICATION AND EVALUATION OF INDIVIDUALS FOR SPECIAL EDUCATION (continued)

If a determination is made that a student has a disability and needs special education and related services, an IEP shall be developed within a total time not to exceed 60 days, not counting days between the student's regular school sessions or terms or days of school vacation in excess of five school days, from the date of the receipt of the parent/guardian's consent for evaluation, unless the parent/guardian agrees, in writing, to an extension. (Education Code 56043; 34 CFR 300.306)

Independent Educational Evaluation

The parents/guardians of a student with a disability have the right to obtain an IEE at public expense under the same criteria that LCOE uses for a LCOE-initiated evaluation. An *independent educational evaluation* is an evaluation conducted by a qualified examiner who is not employed by LCOE. *Public expense* means LCOE either pays for the full cost of the IEE or ensures that the evaluation is otherwise provided at no cost to the parent/guardian. (Education Code 56329; 34 CFR 300.502)

The parent/guardian is entitled to only one IEE at public expense each time LCOE conducts an evaluation with which the parent/guardian disagrees. (Education Code 56329; 34 CFR 300.502)

If a parent/guardian has requested an IEE, LCOE may ask for the reason that he/she objects to LCOE's evaluation. However, the parent/guardian is not required to provide the reason to LCOE. (34 CFR 300.502)

Upon receiving the request for an IEE, LCOE shall, without unnecessary delay, either: (34 CFR 300.502)

1. File a due process complaint to request a hearing to show that its evaluation is appropriate
2. Ensure that an IEE is provided at public expense, unless LCOE can later demonstrate at a hearing that the evaluation obtained by the parent/guardian did not satisfy LCOE's criteria

If a due process hearing decision determines that LCOE's evaluation is appropriate, then the parent/guardian may obtain an IEE but not at public expense. (34 CFR 300.502)

In any decision made with respect to providing FAPE to a student with a disability, the result of any IEE obtained by the student's parent/guardian shall be considered by LCOE if it meets LCOE criteria. Any such result also may be presented as evidence at a hearing on a due process complaint. (34 CFR 300.502)

**IDENTIFICATION AND EVALUATION OF INDIVIDUALS FOR SPECIAL
EDUCATION** (continued)

Reevaluation

A reevaluation shall be conducted when LCOE determines that the educational or related service needs of the student, including improved academic achievement and functional performance, warrant a reevaluation or if the student's parent/guardian or teacher requests reevaluation. Such reevaluations shall occur every three years, unless the parent/guardian and LCOE agree in writing that a reevaluation is unnecessary. A reevaluation may not occur more than once a year, unless the parent/guardian and LCOE agree otherwise. (Education Code 56043, 56381; 34 CFR 300.303)

LCOE shall ensure that any reevaluations of the student are conducted in accordance with the evaluation procedures pursuant to 34 CFR 300.304-300.311. (34 CFR 300.303)

CHILDREN WITH DISABILITIES ENROLLED BY THEIR PARENTS IN PRIVATE SCHOOL

The Lake County Board of Education recognizes its obligations under federal and state law to identify and provide equitable services to children voluntarily enrolled by their parents/guardians in private schools located within Lake County.

(cf. 0430 - Comprehensive Local Plan for Special Education)

The Lake County Superintendent of Schools shall ensure that activities to locate, identify, and evaluate children with disabilities enrolled by their parents/guardians in private schools within the Lake County Office of Education are comparable to activities undertaken for individuals with disabilities aged three to 22 in public schools within Lake County. (34 CFR 300.131; Education Code 56171)

(cf. 6164.4 - Identification and Evaluation of Individuals for Special Education)

The County Superintendent or designee shall develop a budget for the provision of services to children with disabilities enrolled by their parents in private school based on the proportionate share of federal funds received and the number of eligible children, including the possibility of mid-year enrollees, and the types of services to be provided.

CHILDREN WITH DISABILITIES ENROLLED BY THEIR PARENTS IN PRIVATE SCHOOL

Definitions

Parentally placed private school children with disabilities means children with disabilities who are voluntarily enrolled by their parents/guardians in a private school or facility within Lake County boundaries, including children who are attending a private school or facility within Lake County boundaries but who reside outside Lake County. (34 CFR 300.131)

Private school or facility means a private full-time day school, including a religious school, located within Lake County boundaries, that has filed an affidavit with the California Department of Education pursuant to Education Code 33190 and is registered in the California Private School Directory.

Consultation with Private School Representatives

The Lake County Superintendent of Schools shall consult with all private school representatives and representatives of parents/guardians of parentally placed private school children with disabilities during the design and development of equitable services for the children. In order to ensure a meaningful and timely consultation, the consultation shall include: (20 USC 1412(a)(3); 34 CFR 300.134; Education Code 56301)

1. The child find process and how parentally placed private school children suspected of having a disability can participate equitably
2. How parents/guardians, teachers, and private school officials will be informed of the child find process
3. The determination of the proportionate share of federal funds available to serve parentally placed private school children with disabilities and how this share is calculated
4. How the consultation process will operate throughout the school year to ensure that identified children can meaningfully participate in equitable services
5. How, where, and by whom equitable services will be provided including a discussion about the types of services, alternate service delivery mechanisms, how services will be apportioned if funds are insufficient to serve all of the identified children, and how and when those decisions will be made
6. In the event that Lake County Office of Education and private school disagree on the provision of or the types of services, how LCOE will provide the private school officials with a written explanation of the reasons that LCOE chose to not provide the services

CHILDREN WITH DISABILITIES ENROLLED BY THEIR PARENTS IN PRIVATE SCHOOL (continued)

When meaningful and timely consultation has occurred, LCOE shall obtain a written affirmation signed by the representatives of participating private schools. If the private school representatives do not provide the affirmation within a reasonable period of time, LCOE shall forward documentation of the consultation process to the California Department of Education. (34 CFR 300.135; Education Code 56172)

After the consultation has occurred, LCOE shall ensure an annual count of the number of parentally placed children with disabilities attending private schools located within LCOE. This count shall be conducted between October 1 and December 1 each year and shall be used to determine the amount LCOE must spend on providing equitable services to the children in the subsequent fiscal year. (34 CFR 300.133)

Provision of Services

A child with a disability parentally placed in a private school has no individual right to receive some or all of the special education and related services that he/she would receive if enrolled in public school. Such a child may receive a different amount of services than students with disabilities in public schools. (34 CFR 300.137, 300.138)

(cf. 6164.4 - Identification and Evaluation of Individuals for Special Education)

LCOE shall evaluate all identified parentally placed private school children with disabilities for purposes of considering them for equitable services. This evaluation shall be conducted in accordance with the timelines and procedures for evaluating public school students with disabilities pursuant to 34 CFR 300.300-300.311, including providing the parent/guardian with a copy of the procedural safeguards notice. (34 CFR 300.131, 300.504)

(cf. 6159.1 - Procedural Safeguards and Complaints for Special Education)

LCOE shall develop and implement an individual services plan (ISP) for each identified private school child with a disability that describes the equitable services that LCOE will provide, as agreed to by LCOE and private school representatives during the consultation process. (34 CFR 300.138)

The ISP shall be developed, reviewed, and revised consistent with 34 CFR 300.121-300.324. A representative of the private school shall be invited to attend each ISP team meeting. If the representative cannot attend the meeting, LCOE shall use other methods to ensure the representative's participation, including individual or conference calls. (34 CFR 300.137, 300.138)

(cf. 6159 - Individualized Education Program)

**CHILDREN WITH DISABILITIES ENROLLED BY THEIR PARENTS IN
PRIVATE SCHOOL** (continued)

LCOE may provide services on the private school premises, including a religious school, to the extent consistent with law. The services shall be provided by personnel meeting the same standards as personnel providing services in the public school, except private school teachers providing the services do not need to meet the requirements of the No Child Left Behind Act for "highly qualified special education teacher" pursuant to 34 CFR 300.18. The personnel shall either be LCOE employees or contractors of LCOE. (34 CFR 300.138, 300.139)

(cf. 4112.24 - Teacher Qualifications Under the No Child Left Behind Act)

LCOE shall offer transportation to the child if services are provided on a site other than the child's school and the ISP team determines that transportation is necessary for the child to benefit from or participate in the services provided in the ISP. Depending on the timing of the services, LCOE shall provide transportation from the child's school or home to the service site and from the service site to the child's school or home. (34 CFR 300.139)

LCOE may place equipment and supplies in a private school for the period of time necessary to provide the services pursuant to the ISP. All such equipment shall remain LCOE property and must be able to be removed without causing damage to the private school. LCOE shall remove the equipment when no longer required by the child, when the child no longer attends the private school, or when removal is necessary to prevent unauthorized use. (34 CFR 300.144)

STUDENT SUCCESS TEAMS

The Lake County Board of Education encourages the collaboration of parents/guardians, teachers, resource personnel, administrators and students in evaluating the strengths and needs of students having academic, attendance or behavioral difficulties and in identifying strategies and programs that may assist the students. The Lake County Superintendent of Schools or designee shall establish student success teams as needed to address individual students' needs.

(cf. 5113.1 - Chronic Absence and Truancy)

(cf. 5147 - Dropout Prevention)

(cf. 5149 - At-Risk Students)

The County Superintendent or designee shall establish a process for initiating referrals of students to the student success team.

Each student success team shall develop intervention strategies to assist the student. Such strategies may include changes in program placement or instructional methods, recommendation of supplemental educational services, parent involvement strategies, behavioral interventions, discipline, referrals to other agencies or resources, and/or other appropriate interventions.

IDENTIFICATION AND EDUCATION UNDER SECTION 504

Definitions

Free appropriate public education (FAPE) under Section 504 of the Rehabilitation Act of 1973 means the provision of either regular or special education and related aids and services, designed to meet the student's individual educational needs as adequately as the needs of nondisabled students are met. (34 CFR 104.33)

Eligibility to receive FAPE under Section 504 means a student has a physical or mental impairment which substantially limits one or more major life activities. (34 CFR 104.33)

Major life activities means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working. (34 CFR 104.3)

Physical or mental impairment means any of the following: (34 CFR 104.3)

1. Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal, special sense organs; respiratory, including speech organs; cardiovascular; reproductive, digestive, genito-urinary; hemic and lymphatic; skin; and endocrine
2. Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities

Referral, Identification, and Evaluation

1. Any student may be referred by a parent/guardian, teacher, other school employee, student success team, or community agency for consideration of eligibility as a disabled student under Section 504. This referral may be made to the program manager/administrator or 504 Coordinator.

(cf. 6164.5 - Student Success Teams)

2. Upon receipt of a referral for eligibility, the program manager/administrator or 504 Coordinator shall consider the referral and determine whether an evaluation is appropriate. This determination shall be based on a review of the student's school records, including academic and nonacademic areas of the school program; consultation with the student's teacher(s), other professionals, and the parent/guardian, as appropriate; and analysis of the student's needs.

If it is determined that an evaluation is unnecessary, the program manager/administrator or 504 Coordinator shall inform the parents/guardians in writing of this decision and of the procedural safeguards, as described in the "Procedural Safeguards" section below.

IDENTIFICATION AND EDUCATION UNDER SECTION 504 (continued)

3. If it is determined that a student needs or is believed to need special education or related services under Section 504, the Lake County Office of Education shall conduct an evaluation of the student prior to initial placement and before any significant change in placement. (34 CFR 104.35)

Prior to conducting an initial evaluation of a student for eligibility under Section 504, LCOE shall obtain written parent/guardian consent.

LCOE's evaluation procedures shall ensure that tests and other evaluation materials: (34 CFR 104.35)

- a. Have been validated and are administered by trained personnel in conformance with the instruction provided by the test publishers
- b. Are tailored to assess specific areas of educational need and are not based solely on a single IQ score
- c. Reflect aptitude or achievement or whatever else the tests purport to measure and do not reflect the student's impaired sensory, manual, or speaking skills unless the test is designed to measure these particular deficits

Section 504 Services Plan and Placement

1. A multi-disciplinary 504 team shall be convened to review the evaluation data in order to make placement decisions.

The 504 team shall consist of a group of persons knowledgeable about the student, the meaning of the evaluation data, and the placement options. (34 CFR 104.35)

In interpreting evaluation data and making placement decisions, the team shall draw upon information from a variety of sources, including aptitude and achievement tests, teacher recommendations, physical condition, social or cultural background, and adaptive behavior. The team shall also ensure that information obtained from all such sources is documented and carefully considered and that the placement decision is made in conformity with 34 CFR 104.34. (34 CFR 104.35)

2. If, upon evaluation, a student is determined to be eligible for services under Section 504, the team shall meet to develop a written 504 services plan which shall specify the types of regular or special education services, accommodations, and supplementary aids and services necessary to ensure that the student receives FAPE.

IDENTIFICATION AND EDUCATION UNDER SECTION 504 (continued)

The parents/guardians shall be invited to participate in the meeting and shall be given an opportunity to examine all relevant records.

(cf. 5141.21 - Administering Medication and Monitoring Health Conditions)

3. If the 504 team determines that no services are necessary for the student, the record of the team's meeting shall reflect whether or not the student has been identified as a disabled person under Section 504 and shall state the basis for the decision that no special services are presently needed. The student's parent/guardian shall be informed in writing of his/her rights and procedural safeguards, as described in the "Procedural Safeguards" section below.
4. The student shall be placed in the regular educational environment, unless LCOE can demonstrate that the education of the student in the regular environment with the use of supplementary aids and services cannot be achieved satisfactorily. The student shall be educated with those who are not disabled to the maximum extent appropriate to his/her individual needs. (34 CFR 104.34)
5. LCOE shall complete the identification, evaluation, and placement process within a reasonable time frame.
6. A copy of the student's Section 504 services plan shall be kept in his/her student record. The student's teacher(s) and any other staff who provide services to the student shall be informed of the plan's requirements.

If a student transfers to another school within LCOE, the program manager/administrator or designee at the school from which the student is transferring shall ensure that the program manager/administrator or designee at the new school receives a copy of the plan prior to the student's enrollment in the new school.

(cf. 5125 - Student Records)

Review and Reevaluation

1. The 504 team shall monitor the progress of the student and the effectiveness of the student's Section 504 services plan to determine whether the services are appropriate and necessary and whether the student's needs are being met as adequately as the needs of nondisabled students. The team shall review the student's plan annually. In addition, the student's eligibility under Section 504 shall be reevaluated at least once every three years.

IDENTIFICATION AND EDUCATION UNDER SECTION 504 (continued)

2. A reevaluation of the student's needs shall be conducted before any subsequent significant change in placement. (34 CFR 104.35)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

(cf. 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities))

Procedural Safeguards

Parents/guardians shall be notified in writing of all LCOE decisions regarding the identification, evaluation, or educational placement of students with disabilities or suspected disabilities. Notifications shall include a statement of their right to: (34 CFR 104.36)

1. Examine relevant records
2. Have an impartial hearing with an opportunity for participation by the parents/guardians and their counsel
3. Have a review procedure

Notifications shall also detail the parent/guardian's right to file a grievance with LCOE over an alleged violation of Section 504; have an evaluation that draws on information from a variety of sources; be informed of any proposed actions related to eligibility and plan for services; receive all information in the parent/guardian's native language and primary mode of communication; periodic reevaluations and an evaluation before any significant change in program/service modifications; an impartial hearing if there is a disagreement with LCOE's proposed action; be represented by counsel in the impartial hearing process; and appeal the impartial hearing officer's decision.

If a parent/guardian disagrees with decisions regarding the identification, evaluation, or educational placement of his/her child under Section 504, he/she may request a Section 504 due process hearing in accordance with the following procedures:

1. Within 30 days after receipt of LCOE's decision with which the parent/guardian disagrees, the parent/guardian may request an administrative review of the decision. The 504 Coordinator shall designate an appropriate administrator to meet with the parent/guardian to attempt to resolve the issue. This review shall be held within 14 days of receiving the parent/guardian's request.
2. If the parent/guardian chooses not to request an administrative review or if the review does not resolve the issue, the parent/guardian may request in writing a Section 504 due process hearing. The parent/guardian's request for a hearing shall be made within 30 days of receiving LCOE's decision or within 14 days of completion of the administrative review. The request shall include:

IDENTIFICATION AND EDUCATION UNDER SECTION 504 (continued)

- a. The specific nature of the decision with which the parent/guardian disagrees
- b. The specific relief the parent/guardian seeks
- c. Any other information the parent/guardian believes pertinent

Within 30 days of receiving the parent/guardian's request, the Lake County Superintendent of Schools and 504 Coordinator shall select an impartial hearing officer. This 30-day deadline may be extended for good cause or by mutual agreement of the parties.

The 504 Coordinator shall maintain a list of impartial hearing officers who are qualified and willing to conduct Section 504 hearings. To ensure impartiality, such officers shall not be employed by or under contract with LCOE in any capacity other than that of hearing officer and shall not have any professional or personal involvement that would affect their impartiality or objectivity in the matter.

Within 45 days of the selection of the hearing officer, the Section 504 due process hearing shall be conducted and a written decision mailed to all parties. This 45-day deadline may be extended for good cause or by mutual agreement of the parties.

Any party to the hearing shall be afforded the right to:

1. Be accompanied and advised by counsel and by individuals with special knowledge or training related to the problems of students who are qualified as disabled under Section 504
2. Present written and oral evidence
3. Question and cross-examine witnesses
4. Receive written findings by the hearing officer

If desired, either party may seek a review of the hearing officer's decision by a federal court of competent jurisdiction.

Notifications

The County Superintendent or designee shall ensure that LCOE has taken appropriate steps to notify students and parents/guardians of LCOE's duty under Section 504. (34 CFR 104.32)

(cf. 5145.6 - Parental Notifications)

(cf. 6020 - Parent Involvement)

Local Educational Agency Plan

The County Superintendent or designee shall consult with teachers, program managers/administrators, administrators, other appropriate school personnel, and parents/guardians of participating students in the development, periodic review, and, as necessary, the revision of a local educational agency (LEA) plan. The plan and any revisions shall be submitted to the Lake County Board of Education for approval. (20 USC 6312)

The plan shall address the components specified in 20 USC 6312, which describe the assessments, strategies, and services LCOE will use to help low-achieving students meet challenging academic standards.

The initial plan shall be submitted to the California Department of Education (CDE) and approved by the State Board of Education. Subsequent revisions of the plan shall be kept on file in LCOE.

Comparability of Services

State and local funds used in schools receiving Title I funds shall provide services that, taken as a whole, are at least comparable to services in schools that are not receiving Title I funds or, if all LCOE schools are receiving Title I funds, that are substantially comparable in each school. Comparability may be determined on a school-by-school basis or by grade span. (20 USC 6321)

TITLE I PROGRAMS (continued)

To demonstrate comparability of services among LCOE schools:

1. The County Superintendent shall adopt and implement a salary schedule.
2. The ratio of students to teachers, administrators, and other staff at each Title I school shall not exceed 110 percent of the average ratio across non-Title I schools.
3. Salary expenditures at each Title I school shall be no less than 90 percent of the average salary expenditure across non-Title I schools.
4. All LCOE schools shall be provided with the same level of base funding per student for curriculum and instructional materials.
5. The County Superintendent or designee shall maintain records of the quantity and quality of instructional materials and equipment at each school.

(cf. 6161.1 - Selection and Evaluation of Instructional Materials)

In determining comparability, LCOE shall not include staff salary differentials for years of employment. LCOE also may exclude unpredictable changes in student enrollment or personnel assignments that occur after the beginning of the school year, state and local funds expended for language instruction educational programs, state and local funds expended for the excess costs of providing services to disabled students, and supplemental state or local funds expended in any school attendance area or school for programs that specifically meet the intent and purposes of Title I. (20 USC 6321)

At the beginning of each school year, the County Superintendent or designee shall measure comparability in accordance with the above criteria and maintain records documenting LCOE's compliance. If any instances of noncomparability are identified, the County Superintendent or designee shall promptly implement adjustments as needed to ensure comparability.

Program Evaluation

The County Board shall use state assessment results and other available measures or indicators to annually determine whether each participating school is making adequate yearly progress toward ensuring that all students meet the state's proficient level of achievement on state assessments. (20 USC 6316)

EDUCATION FOR FOSTER YOUTH

Definitions

Foster youth means a child who has been removed from his/her home pursuant to Welfare and Institutions Code 309, is the subject of a petition filed under Welfare and Institutions Code 300 or 602, or has been removed from his/her home and is the subject of a petition filed under Welfare and Institutions Code 300 or 602. (Education Code 48853.5)

Person holding the right to make educational decisions means a responsible adult appointed by a court pursuant to Welfare and Institutions Code 361 or 727.

School of origin means the school that the foster youth attended when permanently housed or the school in which he/she was last enrolled. If the school the foster youth attended when permanently housed is different from the school in which he/she was last enrolled, or if there is some other school that the foster youth attended within the preceding 15 months and with which the youth is connected, the liaison shall, in consultation with and with the agreement of the foster youth and the person holding the right to make educational decisions for the youth, determine, in the best interests of the foster youth, which school is the school of origin. (Education Code 48853.5)

Best interests means that, in making educational and school placement decisions for a foster youth, consideration is given to, among other factors, educational stability, the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress, and the foster youth's access to academic resources, services, and extracurricular and enrichment activities that are available to all Lake County Office of Education students. (Education Code 48850, 48853)

When a student in foster care is enrolling in a LCOE school, the liaison shall contact the school last attended by the student to obtain all academic and other records, within two business days of receiving the request. When a foster youth is transferring out of a LCOE school, the liaison shall provide the student's records to the new school within two business days of receiving the new school's request. (Education Code 48853.5)

(cf. 5113.1 - Chronic Absence and Truancy)

7. Monitor the educational progress of foster youth and provide reports to the County Superintendent and the Lake County Board of Education based on indicators identified in Board policy

Enrollment

A foster youth placed in a licensed children's institution or foster family home within the geographic boundaries of LCOE shall attend programs operated by LCOE unless one of the following circumstances applies: (Education Code 48853, 48853.5)

1. The student has an individualized education program requiring placement in a nonpublic, nonsectarian school or agency, or in another local educational agency.

(cf. 6159 - Individualized Education Program)

(cf. 6159.2 - Nonpublic, Nonsectarian School and Agency Services for Special Education)

2. The parent/guardian or other person holding the right to make educational decisions for the student determines that it is in the best interest of the student to be placed in another educational program.

(cf. 6159.3 - Appointment of Surrogate Parent for Special Education Students)

3. At the initial placement or any subsequent change in placement, the student exercises his/her right to continue in his/her school of origin, as defined above.

The student may continue in the school of origin for the duration of the court's jurisdiction or, if the court's jurisdiction is terminated prior to the end of a school year, then for remainder of the school year.

The liaison may, in consultation with and with the agreement of the foster youth and the person holding the right to make educational decisions for the youth, recommend that the youth's right to attend the school of origin be waived and he/she be enrolled in any school that students living in the attendance area in which the foster youth resides are eligible to attend. All decisions shall be made in accordance with the foster youth's best interests. (Education Code 48853.5)

Prior to making any recommendation to move a foster youth from his/her school of origin, the liaison shall provide the youth and the person holding the right to make educational decisions for the youth with a written explanation of the basis for the recommendation and how this recommendation serves the youth's best interests. (Education Code 48853.5)

EDUCATION FOR FOSTER YOUTH (continued)

The role of the liaison shall be advisory with respect to placement decisions and determination of the school of origin. (Education Code 48853.5)

If the liaison, in consultation with the foster youth and the person holding the right to make educational decisions for the foster youth, agrees that the best interests of the youth would be served by his/her transfer to a school other than the school of origin, the program manager/administrator or designee of the new school shall immediately enroll the foster youth. The foster youth shall be immediately enrolled even if he/she: (Education Code 48853.5)

1. Has outstanding fees, fines, textbooks, or other items or monies due to the school last attended

(cf. 5125.2 - Withholding Grades, Diploma or Transcripts)

2. Does not have clothing normally required by the school, such as school uniforms

(cf. 5141.32 - Health Screening for School Entry)

The County Superintendent shall make a determination within 30 calendar days of receipt of the appeal. The County Superintendent decision shall be final.

(cf. 9320 - Meetings and Notices)

Transportation

Upon request, LCOE may provide transportation for a foster youth to and from his/her school of origin when the student is residing within Lake County Office of Education and the school of origin is within LCOE's jurisdiction.

EDUCATION FOR FOSTER YOUTH (continued)

Transfer of Coursework and Applicability of Graduation Requirements

When a foster youth transfers into a LCOE school, LCOE shall accept and issue full credit for any coursework that the foster youth has satisfactorily completed while attending another public school, a juvenile court school, or a nonpublic, nonsectarian school or agency and shall not require the foster youth to retake the course. (Education Code 51225.2)

If the foster youth did not complete the entire course, he/she shall be issued partial credit for the coursework completed and shall be required to take the portion of the course that he/she did not complete at his/her previous school. However, LCOE may require the foster youth to retake the portion of the course completed if, in consultation with the holder of educational rights for the foster youth, LCOE finds that the foster youth is reasonably able to complete the requirements in time to graduate from high school. Whenever partial credit is issued to a foster youth in any particular course, he/she shall be enrolled in the same or equivalent course, if applicable, so that he/she may continue and complete the entire course. (Education Code 51225.2)

In no event shall LCOE prevent a foster youth from taking or retaking a course to meet the eligibility requirements for admission to the California State University or the University of California. (Education Code 51225.2)

When a foster youth in grade 11 or 12 transfers into LCOE from a school district or transfers between LCOE high schools, he/she shall be exempted from all coursework and other graduation requirements adopted by the County Board that are in addition to the statewide coursework requirements specified in Education Code 51225.3 and the high school exit examination, unless LCOE makes a finding that the student is reasonably able to complete the additional requirements in time to graduate from high school while he/she remains in foster care. (Education Code 51225.3, 60851)

The County Superintendent or designee shall notify any student who is granted an exemption and, as appropriate, the person holding the right to make educational decisions for the student, if any of the requirements that are waived will affect the student's ability to gain admission to a postsecondary educational institution and shall provide information about transfer opportunities available through the California Community Colleges. (Education Code 51225.3)

(cf. 6146.1 - High School Graduation Requirements)

(cf. 6162.52 - High School Exit Examination)

EDUCATION FOR FOSTER YOUTH (continued)

2. A verified court appearance or related court-ordered activity

(cf. 5121 - Grades/Evaluation of Student Achievement)

Eligibility for Extracurricular Activities

A foster youth who changes residences pursuant to a court order or decision of a child welfare worker shall be immediately deemed to meet all residency requirements for participation in interscholastic sports or other extracurricular activities. (Education Code 48850)

As a result, certain provisions of the following policy or administrative regulation that reflect those requirements may be suspended.

The Lake County Superintendent of Schools may provide classes on Saturday and/or Sunday in order to meet the academic needs of students.

SUMMER SCHOOL

Cautionary Notice: AB 97 (Ch. 47, Statutes of 2013) repealed Education Code 42605, which provided temporary flexibility for specified "Tier 3" categorical programs, and instead redirects the funding for those categorical programs into the Local Control Funding Formula (LCFF) (Education Code 42238.01-42251). The supplemental and concentration grant portions of the LCFF may be used for any schoolwide or districtwide educational purpose in accordance with state regulations to be adopted by January 31, 2014, with a goal of increasing or improving services for English learners, foster youth, and students eligible for free and reduced-price meals. Certain requirements related to Tier 3 categorical program(s) in the following policy or regulation are no longer applicable.

Cautionary Notice 2010-13: AB 1610 (Ch. 724, Statutes of 2010) amended Education Code 37252.2 and Government Code 17581.5 to relieve districts from the obligation, until July 1, 2013, to perform any activities that are deemed to be reimbursable state mandates under those sections. As a result, certain provisions of the following policy or administrative regulation that reflect those requirements may be suspended.

The Lake County Board of Education recognizes that summer school provides valuable opportunities for students to improve their skills and make academic progress. When the need is demonstrated and funds are available, the Lake County Superintendent of Schools, with County Board approval, shall establish summer school day and/or evening classes for purposes of remediation, enrichment, and/or acceleration.

The Lake County Office of Education shall offer summer instructional programs for graduating high school seniors who need courses for graduation before the beginning of the next school year. (Education Code 41976.5)

(cf. 6146.1 - High School Graduation Requirements)

LCOE's summer school program may be used to provide supplemental instruction for students failing to meet academic requirements and/or students who desire enrichment in core academic subjects in accordance with law, Board policy, and administrative regulation. (Education Code 37252, 37252.2, 37252.8, 37253, 41505-41506; 5 CCR 11472)

(cf. 6162.52 - High School Exit Examination)

(cf. 6176 - Weekend/Saturday Classes)

(cf. 6179 - Supplemental Instruction)

Enrollment Priorities

Priority to enroll in summer programs shall be given to LCOE students who:

1. Are eligible for supplemental instruction on the basis of retention or recommendation for retention pursuant to Education Code 37252.2

SUMMER SCHOOL (continued)

2. Are eligible for supplemental instruction on the basis of insufficient progress toward passing the state high school exit examination pursuant to Education Code 37252
3. Need course credits in order to graduate from high school before the beginning of the next school year

The remaining openings shall be offered to LCOE students on a first-come first-served basis.

Attendance

Because summer courses cover extensive instructional content in a relatively short time period, students who have more than three excused absences or one unexcused absence may not receive credit for their summer session class(es) unless they make-up missed work in accordance with law, Board policy, and administrative regulation.

CAREER TECHNICAL EDUCATION

Cautionary Notice: AB 97 (Ch. 47, Statutes of 2013) repealed Education Code 42605, which provided temporary flexibility for specified "Tier 3" categorical programs, and instead redirects the funding for those categorical programs into the Local Control Funding Formula (LCFF) (Education Code 42238.01-42251). The supplemental and concentration grant portions of the LCFF may be used for any schoolwide or districtwide educational purpose in accordance with state regulations to be adopted by January 31, 2014, with a goal of increasing or improving services for English learners, foster youth, and students eligible for free and reduced-price meals. Certain requirements related to Tier 3 categorical program(s) in the following policy or regulation are no longer applicable.

The Lake County Board of Education desires to provide a comprehensive career technical education (CTE) program in grades 7-12 which integrates core academic instruction with technical and occupational instruction in order to increase student achievement, graduation rates, and readiness for postsecondary education and employment. The Lake County Office of Education's CTE program shall be designed to help students develop the academic, career, and technical skills needed to succeed in a knowledge- and skills-based economy. The program shall include a rigorous academic component and provide students with a strong experience and understanding of all aspects of an industry.

(cf. 6143 - Courses of Study)

(cf. 6200 - Adult Education)

The County Board shall review and approve all LCOE plans and applications for the use of state and/or federal funds supporting CTE.

The County Board shall adopt standards for CTE which meet or exceed the state's model content standards and describe the essential knowledge and skills that students enrolled in these courses are expected to master. The course curriculum shall be aligned with LCOE-adopted standards and the state's curriculum framework.

(cf. 6011 - Academic Standards)

(cf. 6141 - Curriculum Development and Evaluation)

The Lake County Superintendent of Schools or designee shall develop partnerships with local businesses and industries to ensure that classroom instruction has real-world relevance and reflects labor market needs and priorities. He/she also shall work to develop connections with employers to provide students with work-based learning opportunities.

(cf. 1700 - Relations Between Private Industry and the Schools)

(cf. 5113.2 - Work Permits)

(cf. 6178.1 - Work Experience Education)

The County Superintendent or designee shall collaborate with postsecondary institutions to ensure that LCOE's program is articulated with postsecondary programs in order to provide a sequential course of study.

CAREER TECHNICAL EDUCATION (continued)

The County Superintendent or designee shall ensure that teachers of CTE courses possess the qualifications and credentials necessary to teach their assigned courses. He/she also shall provide teachers and administrators with professional development designed to enhance their knowledge of standards-aligned CTE and ways to integrate technical and occupational instruction with academic instruction.

(cf. 4112.2 - Certification)
(cf. 4131 - Staff Development)
(cf. 4331 - Staff Development)

LCOE shall provide services to support students in the CTE program, including comprehensive career guidance and academic counseling. The County Superintendent or designee shall provide counselors with professional development that includes, but is not limited to, information about current workforce needs and trends, requirements of LCOE's CTE program, work experience opportunities, and postsecondary education and employment options following high school.

(cf. 5145.6 - Parental Notifications)
(cf. 6164.2 - Guidance/Counseling Services)

The County Superintendent or designee shall regularly assess LCOE needs for facilities, technologies, and equipment to increase students' access to LCOE's CTE program.

(cf. 0440 - District Technology Plan)
(cf. 3440 - Inventories)
(cf. 3512 - Equipment)
(cf. 7110 - Facilities Master Plan)

Nondiscrimination

(20 USC 2302, 2354, 2373)

CAREER TECHNICAL EDUCATION (continued)

The above notification shall be disseminated in languages other than English as needed and shall state that LCOE will take steps to ensure that the lack of English language skills will not be a barrier to admission and participation in LCOE's CTE program. (20 USC 2354)

The committee shall consist of one or more representatives of the general public knowledgeable about the disadvantaged; students; teachers; business; industry; school administration; and the field office of the California Department of Employment Development. At least every three years, the County Board shall compare LCOE's curriculum, course content, and course sequence of CTE with the model state curriculum standards. (Education Code 52376)

The County Superintendent or designee shall systematically review LCOE's CTE classes to determine the degree to which each class may offer an alternative means for completing and receiving credit for specific portions of the course of study prescribed by LCOE for high school graduation. The County Board shall ensure that these classes are equivalent in content and rigor to the courses prescribed for graduation. (Education Code 52376)

(cf. 6159 - Individualized Education Program)

WORK-BASED LEARNING (continued)

Cooperative Career Technical Education Program/Community Classrooms

To be eligible for program participation, a student shall be concurrently enrolled in a career technical education (CTE) course or program approved by the California Department of Education and shall meet other criteria specified in 5 CCR 10103 as applicable. (5 CCR 10082, 10103)

Participating students may attend job shadowing opportunities for no less than three hours and no more than 25 hours in one semester, intersession, or summer school session. (Education Code 51769)

HOME AND HOSPITAL INSTRUCTION

A student with a temporary disability which makes school attendance impossible or inadvisable shall receive individual instruction in the student's home or in a hospital or other residential health facility, excluding state hospitals. This instruction applies to students incurring a physical, mental or emotional disability after which they can reasonably be expected to return to regular day classes or an alternative education program without special intervention. It does not apply to students identified as individuals with exceptional needs pursuant to Education Code 56026. (Education Code 48206.3)

(cf. 6158 - Independent Study)

(cf. 6164.4 - Identification and Evaluation of Individuals for Special Education)

Home or hospital instruction shall be provided only by teachers with valid California teaching credentials who consent to the assignment. (Education Code 44865)

(cf. 4112.2 - Certification)

(cf. 4113 - Assignment)

The Lake County Office of Education shall offer at least one hour of instruction for every day of instruction offered by LCOE in the regular education program. No student shall be credited with more than five days of attendance per calendar week or credited with more than the total number of calendar days that regular classes are offered by LCOE in any fiscal year. (Education Code 48200, 48206.3)

Insofar as possible, the teacher providing home or hospital instruction shall consult with the student's current classroom teacher(s) so as to provide a continuity of instruction that enables the student to stay abreast with the regular school program.

The Lake County Superintendent of Schools may require verification through any reasonable means that the student requires home instruction. In addition, this verification shall also state that the disabling condition will not expose the teacher to a contagious disease that can be transmitted through casual contact. Home or hospital instruction shall not be denied to students with Hepatitis B, herpes or HIV/AIDS, as long as the home or hospital practices current preventive protocol as determined by the U.S. Centers for Disease Control.

(cf. 4119.42/4219.42/4319.42 - Exposure Control Plan for Bloodborne Pathogens)

(cf. 4119.43/4219.43/4319.43 - Universal Precautions)

(cf. 5112.2 - Exclusions from Attendance)

(cf. 5141.22 - Infectious Diseases)

COMMUNITY DAY SCHOOL

Cautionary Notice: AB 97 (Ch. 47, Statutes of 2013) repealed Education Code 42605, which provided temporary flexibility for specified "Tier 3" categorical programs, and instead redirects the funding for those categorical programs into the Local Control Funding Formula (LCFF) (Education Code 42238.01-42251). The supplemental and concentration grant portions of the LCFF may be used for any schoolwide or districtwide educational purpose in accordance with state regulations to be adopted by January 31, 2014, with a goal of increasing or improving services for English learners, foster youth, and students eligible for free and reduced-price meals. Certain requirements related to Tier 3 categorical program(s) in the following policy or regulation are no longer applicable.

The Lake County Board of Education recognizes the need to provide an appropriate alternative educational program for expelled students who are prohibited from attending regular schools and for certain students referred by probation or other such processes. The Lake County Office of Education shall operate one or more community day schools designed to meet the needs of these students. The Lake County Superintendent of Schools shall ensure that any such school is operated in accordance with legal requirements related to enrollment, instructional time and facilities.

The County Board perceives the community day school as a flexible component of a comprehensive effort to meet the needs of expelled and other at-risk students throughout the county. The County Superintendent or designee shall solicit input from the superintendents of districts within LCOE's jurisdiction when designing the LCOE community day school and shall collaborate with them in fulfilling countywide needs.

In order to foster positive attitudes and academic progress, the County Board recognizes that community day schools must give students substantial individual help with their problems. Community day school staff shall collaborate with LCOE counselors, psychologists, and other support staff and with the county office of education, law enforcement, probation, and human services agency staff who work with at-risk youth. To the extent possible, community day school programs shall provide a low student-teacher ratio as well as individualized instruction and assessment.

(cf. 1020 - Youth Services)

(cf. 5149 - At-Risk Students)

(cf. 6164.2 - Guidance/Counseling Services)

The County Superintendent or designee shall establish procedures for the involuntary transfer of students to a community day school in accordance with law and administrative regulation.

COMMUNITY DAY SCHOOL

Cautionary Notice: AB 97 (Ch. 47, Statutes of 2013) repealed Education Code 42605, which provided temporary flexibility for specified "Tier 3" categorical programs, and instead redirects the funding for those categorical programs into the Local Control Funding Formula (LCFF) (Education Code 42238.01-42251). The supplemental and concentration grant portions of the LCFF may be used for any schoolwide or districtwide educational purpose in accordance with state regulations to be adopted by January 31, 2014, with a goal of increasing or improving services for English learners, foster youth, and students eligible for free and reduced-price meals. Certain requirements related to Tier 3 categorical program(s) in the following policy or regulation are no longer applicable.

Involuntary Transfer

A student may be assigned to a community day school only upon meeting one or more of the following conditions: (Education Code 48662)

1. The student is expelled for any reason.

(cf. 5144.1 - Suspension and Expulsion/Due Process)

2. The student is probation-referred pursuant to Welfare and Institutions Code 300 and/or 602.
3. The student is referred by a school attendance review board (SARB) or other Lake County Office of Education-level referral process.

The first priority for assignment to a community day school shall be given to students expelled pursuant to Education Code 48915(d). Second priority shall be given to students expelled for other reasons, and third priority shall be given to students referred according to item #2 or #3 above. (Education Code 48662)

In the case of any student who has been identified as eligible for services under the federal Individuals with Disabilities Education Act or Section 504 of the federal Rehabilitation Act of 1973, assignment to a community day school shall be first approved by the student's Individualized Education Program (IEP) team or school site committee (e.g., student study team) as required by law.

(cf. 5144.2 - Suspension and Expulsion (Students with Disabilities))
(cf. 6159 - Individualized Education Program)
(cf. 6159.4 - Behavioral Interventions for Special Education Students)
(cf. 6164.6 - Identification and Education Under Section 504)

At least 10 calendar days prior to the involuntary transfer of a student as a result of a referral process, the Lake County Superintendent of Schools shall provide written notice of the transfer to the student's parent/guardian or to the adult student age 18 or older. The notice shall contain a statement of the facts and circumstances upon which the transfer is based, its duration, and the conditions for readmission. The notice shall advise the student's

COMMUNITY DAY SCHOOL (continued)

parent/guardian or adult student of the opportunity to inspect and obtain copies of all documents supporting the transfer. In addition, the notice shall also state that the parent/guardian or adult student has five school days to request a meeting with the County Superintendent or designee to discuss the transfer.

If the County Superintendent designates an individual to represent LCOE at the meeting, the individual so designated shall not be a member of the staff of the school at which the student is currently enrolled.

At the meeting, the reason for the transfer shall be reviewed with the parent/guardian or adult student and the parent/guardian or adult student may present evidence on the student's behalf.

The County Superintendent or designee shall send the parent/guardian or adult student written notice of the decision to transfer or not transfer within three school days of the meeting.

If the parent/guardian or adult student desires to appeal the County Superintendent's decision to the Lake County Board of Education, he/she shall file written notice of the intent to appeal within five school days of receiving the decision. The County Board shall determine whether or not to hear the appeal within 15 calendar days. If the County Board desires to hear the appeal, the County Board shall decide the appeal within 30 calendar days of receipt of the notice of the appeal. The County Board's decision shall be final.

Instruction

Academic programs offered in the community day school shall be comparable to those available to students of a similar age in the school LCOE. (Education Code 48663)

The minimum school day for community day school students shall be 360 minutes of classroom instruction provided by a certificated employee of LCOE reporting attendance for apportionment purposes. Independent study shall not be used as a means of providing any part of this minimum day. (Education Code 48663)

(cf. 6158 - Independent Study)

Facilities

To house community day school operations, LCOE shall do one or more of the following: (Education Code 17292.5)

1. Use available school facilities conforming with Field Act requirements
2. Apply for emergency portable classrooms pursuant to Education Code 17085-17096.

COMMUNITY DAY SCHOOL (continued)

3. Upon certifying to the State Allocation Board that all reasonable efforts have been made to use facilities that conform with the Field Act requirements of item #1 above, enter into lease agreements for facilities for which a structural engineer has submitted a report stating that substantial structural hazards do not exist.

Every three years, the County Superintendent or designee shall report to the State Allocation Board on the facilities used for LCOE's community day programs and efforts to place these programs in facilities that conform with the requirements of item #1 above. (Education Code 17292.5)

EVALUATION OF THE INSTRUCTIONAL PROGRAM

The Lake County Board of Education recognizes that it is accountable to students, parents/guardians, and the community for the effectiveness of the Lake County Office of Education's educational program in meeting LCOE goals for student learning. The Lake County Superintendent of Schools shall conduct a continual evaluation of the curriculum and the instructional program in order to improve student achievement.

(cf. 0200 - Goals for the School District)

(cf. 0500 - Accountability)

(cf. 6000 - Concepts and Roles)

(cf. 9000 - Role of the Board)

On an ongoing basis, the County Superintendent or designee shall conduct a LCOE self-evaluation which may utilize tools developed by LCOE or the CDE to ensure compliance of LCOE categorical programs with legal requirements.

Evaluation of Consolidated Categorical Programs

The County Superintendent or designee and the County Board shall annually determine whether LCOE's categorical programs funded through the state's consolidated application are supportive of the core curriculum and are effective in meeting the needs of the students they are intended to serve. As a basis for this evaluation, the County Superintendent or designee shall recommend for County Board approval the specific, measurable criteria that shall be used at each school and at LCOE level. These criteria shall include, but not necessarily be limited to, progress toward goals contained in the school's single plan for student achievement and progress of the total student population and each numerically significant subgroup toward growth targets on the statewide Academic Performance Index.
